You are Invited to Dinner!  
JCCY's 15th Anniversary Celebration  
Friday, November 7, 6:30 p.m.  
Filipino Community Center, Waipahu

Dear JCCY Partner,

On Saturday, August 9, at the Filipino Community Center in Waipahu, we presented our **Mastering Personal Evangelism Seminar** to our largest “one-time” audience. Hosted by **Pastor Norman Nakanishi** and **Grace Bible Church**, our evangelism training team which includes **Alfredo Canencia**, **Martin Arinaga**, and me, taught over 200 people essential skills in personal evangelism. Our School of Evangelism has trained a total of more than 2000 students from nearly 100 churches in the last 20 months.

## Over 2000 Attend Evangelism Seminars - From Nearly 100 Churches in 20 Months

*“It is he (Jesus) who gave some to be...evangelists...to prepare God's people for works of service so that the body of Christ may be built up...”  
Ephesians 4:11-12*

Future seminars will be in Kapolei, Mililani, and a strategic location in East O'ahu. By training men and women, we are standing strong with pastors of local churches by serving their members. Each person we train has the potential to reach 10, 20, 30 others in the next year with the message of God's love. The breadth of our evangelistic reach is immense as we use this “grass roots” strategy given by the Lord.

## Paradise Global Mission Thailand and Philippines

On September 29, **Paradise Global Mission Thailand**, under the direction of **Rev. Owen Tanoue**, will embark on an unforgettable 12-day journey to the harvest fields of northeastern Thailand. In November, **Todd Dixon** and I will visit newly planted churches in Manila and make strategic plans for future **Paradise Global Mission Philippines**. Please keep us all in prayer.

**PS: Remember to mark Friday, November 7, 6:30 p.m., on your calendar to join us for JCCY's 15th Anniversary Celebration Dinner at the Filipino Community Center in Waipahu.**
